Spring 2010

LOVE IS NOT ABUSE

DOTTIE'S HOUSE FOCUSES ON TEEN DATING VIOLENCE

Did you know that 47% of teens between the ages of 11 and 14 say they know friends who have been verbally abused by a boyfriend or girlfriend; that's nearly half! One in five teens (20%) have friends who have been struck in anger (hit, kicked, slapped or punched) by a boyfriend or girlfriend, yet 49% claim to not even know the warning signs of a bad or hurtful relationship. The statistics are astounding, and actually even worse among teenagers who have had sex by age 14.

To help improve these statistics, Dottie's House has presented the *Love is Not Abuse: A Teen Dating Violence Prevention Curriculum* to Ocean County schools. The curriculum, developed by Liz Claiborne Inc., focuses on raising awareness of teen dating abuse and violence. It also suggests that schools review their policies and procedures accordingly on issues relating to dating abuse and domestic violence. The curriculum includes a video supplement of four teenage girls who tell their real-life stories of abuse, and the steps they took to break away from their relationships and seek help. This is an effective way of reaching out to teens because they tend to relate more to their peers.

Many children who witness domestic violence in their home tend to exert violent behavior in their relationships because they assume that is the norm. Our goal is for children to recognize the warning signs of abuse and break the generational cycle of domestic violence. If we can help even one teenager avoid an abusive relationship, then our efforts have been a success.

DOTTIE'S HOUSE AWARDED \$10,000 THROUGH LENNAR'S FOCUSED ACT OF CARING

For the second year in a row Lennar has selected Dottie's House as the beneficiary for their Annual Focused Act of Caring. More than 50 employees from Lennar's Freehold office gathered at Dottie's House on December 15th to give back to the community. They helped the residents get into the holiday spirit by decorating their apartments and the community room where the mothers meet for weekly group therapy and children gather for birthday parties and other social events. Staff also cleaned vacant apartments in preparation for new residents, painted hallways and apartments, and made minor repairs throughout the facility. But their good will didn't stop here; Lennar also presented Dottie's House with several boxes of household items, cleaning products, and paper goods among other items which they gathered through a collection in their office. Videos were then submitted by Lennar's staff to the National Executives, and we are delighted to inform you that Dottie's House was chosen as one of the ten non-profits from across the country to be recognized! Lennar has presented Dottie's House with a \$10,000 award which will be used to provide support services to the women and children. Many thanks to all of Lennar's staff and most importantly to Deborah Williams, Lennar's New Jersey Director of Sales and Marketing, for organizing such a wonderful day and award-winning video submission!

NEED ASSISTANCE WITH YOUR UTILITY BILLS?

Homes Now recently partnered with New Jersey SHARES, Inc. (NJ SHARES), a 501(c)(3) non-profit organization which provides energy assistance grants to eligible New Jersey households who are facing a temporary financial crisis. Similar to the Affordable Housing Program, NJ SHARES has income guidelines which vary according to the household size.

An individual or household can receive a one-time grant per calendar year of up to \$700 on their heating source, and up to \$300 on their electric account. If you would like learn more about the NJ SHARES program, or request an application, please contact Nicole Yannelli of Homes Now, Inc. at (732) 295-7380.

Where Eagles Fly

15 year old Lucas Bernaldo's goal since he was a little boy was to become the first Eagle to 'fly' from Toms River's Boy Scout Troop 50. During his journey he selected Dottie's House as the focus for his community service project. Lucas, along with numerous scouts, parents and volunteers built a 23' x 18' Pergola on the pavers in the Dottie's House yard which was the Eagle Scout project of Kyle Reid of Boy Scout Troop 52 in 2007.

Lucas received support from members of the community including Ken's Hardware, Sophia's Bistro, TLC Sign & Banner, Lowes of Toms River and Fatih Ozkanca of Deck Dimensions. He also received donations from friends and family which were used towards purchasing materials for the project.

"The Eagle Scouts never fail to surprise us," said Carol Wolfe. "We would like to thank Lucas, and all who helped make this project successful, as well as all of the Eagle Scouts who have helped support our cause over the years," she added.

JCP&L's Area Manager, Maria Sessa, presents Dottie's House Executive Director, Carol A. Wolfe, and Dottie's House President, Oliver S. Walling III with 17 laptop computers for the women at the facility.

Loving Their Laptops

JCP&L made the holidays a little brighter for the women at Dottie's House through their charitable donation of 17 laptop computers. These computers will enable the women at the facility to complete homework assignments and create resumes for future employment. It's quite difficult juggling being a mother and student while receiving routine program services. These laptops give the women the flexibility to spend time with their children while allowing them to focus on their schoolwork, all without having to leave their apartments.

JCP&L has continued to support Dottie's House since its incorporation and we are grateful for their generosity. Their foundation entitled **The FirstEnergy Foundation** donated computers and office furniture to fill the Job Readiness Skills & Training Program Room within Dottie's House. We would like to thank **JCP&L** and **Maria Sessa** who has been a Board Member of Friends of Dottie's House since 2006 and continues to assist in spreading awareness of domestic violence.

Dottie's House encountered the wholeheartedness of five exceptional students from the 5th Grade Art Club of **Joseph A. Citta Elementary School** in Toms River, NJ who wanted to make a difference by helping children in need. The students, namely **Jacquelyn Elliott, Alexa DeRosa, Elizabeth Pieciak, Courtney Kohler, Nicole Weaver** and **Remi Dennis** created the "Rainbow to Helping Hands", a vibrantly decorated toy box with a rainbow theme which included their own handprints and thumbprints scattered throughout. The girls were initially going to fill the toy box with their gently used toys and donate it to Dottie's House, however, when they learned a little more about the program and services the facility provides, one thing caught their attention - art therapy. The children of Dottie's House receive art therapy twice a week by Art Therapist Helayne Van Sickle. Art therapy allows victims of domestic violence to heal their physical and emotional scars by unveiling their creativity and imagination

Rainbow to Helping Hands

in the form of artwork. It teaches them to express their emotions in a more healthy, therapeutic way than what they are used to seeing around the household. The 5th grade students related to this program since they too enjoy art very much. It allows their imaginations to run wild and what more could a child ask for?

The girls planned a garage sale to sell their old toys and purchase art supplies for the children of Dottie's House, however, after the garage sales were rained out twice they decided to raise the money by other means. They picked up extra chores around the house, raked leaves, and collected donations from family members.

Once they raised enough money, the girls went shopping for art supplies. They then put together gift bags for each child consisting of paints, brushes, crayons, markers, modeling clay and jewelry making kits, among other art supplies, and presented their "**Rainbow to Helping Hands**" to Dottie's House.

"It really touches my heart when I see children as giving as these 5th grade girls," said Carol Wolfe. "They put the needs of others before their own and performed an act of kindness for children they had never even met. We would like to commend Jacquelyn, Alexa, Elizabeth, Courtney, Nicole and Remi, and thank their parents and Art Club Director for inspiring them," added Mrs. Wolfe. We would also like to thank **Joseph A. Citta Elementary School** for continuing to participate in our Annual "Kids Helping Kids" Coin Drive.

If you would like to get your child involved in hosting a fundraiser for the benefit of Dottie's House, please contact our office at (732) 295-7380.

**Point Pleasant Borough Names
Homes Now, Inc. as Affordable
Housing Administrative Agent**

Having recognized the ever-growing need for affordable housing in its area and throughout the state, the Borough of Point Pleasant entered into a contract with Homes Now, Inc. for the administration of affordable housing. Both parties are working together to develop a plan to provide affordable housing to low and moderate income families. Once the plan is finalized, we will be distributing and accepting applications for the program.

We look forward to working with the Borough of Point Pleasant to provide and protect affordable housing units within its municipality.

Let Homes Now, Inc. work with your municipality to develop an affordable housing project that meets your needs, and will aid in the fulfillment of your affordable housing obligation.

We develop, build, and monitor various properties including low and moderate single family homes, always striving to protect the municipalities' property and interest.

Contact Homes Now, Inc. at (732) 295-7380 to request more information and schedule a tour of our properties.

Homes Now, Inc. is always working diligently to provide quality affordable housing. Below is a list of some of our projects under consideration:

Township of Brick

- (1) 8 New Units
 - 4 four-bedroom apartments to house individuals with special needs
 - 4 two-bedroom apartments to house very low, low, and moderate income families
- (2) 35 units of a new 270 unit complex set aside to house individuals with special needs, and low and moderate income families
- (3) Four-bedroom single family group home to be constructed on a vacant lot. The house will serve The Arc, Ocean County Chapter's clients with developmental disabilities.
- (4) Redevelopment of a mobile home park (possible 80+ units)
- (5) Two-bedroom condominium
- (6) Four-bedroom Single Family Home Re-sale in Brick, NJ
Homes Now, Inc. announces that it may have a four-bedroom, low income, single family home available for re-sale within the next 6 to 12 months. Interested households will be required to submit an application and income documentation in order to qualify. Please note that pursuant to the Uniform Housing Affordability Controls, N.J.A.C. 5:80-26.1 et seq., applicants must provide at least one occupant for each unit bedroom. In addition, they must fall within the income guidelines set forth by the Council on Affordable Housing (COAH) which vary according to the number of household members. Below are COAH's 2009 Regional Income Limits for a low income family*:

	4 Person Household	5 Person Household	6 Person Household	7 Person Household	8 Person Household
Minimum Income	\$26,475	\$28,593	\$30,711	\$32,829	\$34,947
Maximum Income	\$44,125	\$47,654	\$51,184	\$54,714	\$58,244

* The income guidelines may be subject to change once COAH adopts its 2010 Regional Income Limits.

- (7) Homes Now, Inc. has submitted a proposal for the construction of a second Dottie's House in the northwestern part of New Jersey which would consist of 8 individual apartments, and provide housing and support services to 8 families of women and children who have survived domestic violence.

Chambers Bridge Residence

The Chambers Bridge Residence is a 184 unit affordable housing community for low-income seniors (55 years of age or older) and disabled individuals (18 years of age or older). The complex is conveniently located near shopping, transportation and recreation. Presently there is 100% occupancy with a waiting list of approximately 3 months, however, they are always accepting applications for future vacancy.

Many are attracted to the complex because of its beautiful architecture, pleasant staff and schedule of planned activities. The residents have been quite busy these past few months as many participated in the Autumn Trivia Contest in November, and Holiday Raffle, Holiday Gift Exchange, and Hanukkah Candle Lighting in December. In February residents enjoyed free chocolates and participated in a raffle on Valentine's Day. On March 19th residents gathered at Applebee's for a Spring luncheon, on April 9th they attended a free cholesterol, blood pressure and blood sugar screening, and on April 14th the Ocean County Health Department presented a safe medication program to the residents to help them manage their medication, which many benefited from. Residents were also fortunate enough to receive six (6) energy efficient light bulbs, each which were donated by the students at Brick High School. For Mother's Day every female resident will be given a flower with a handwritten note from one of their staff members.

Chambers Bridge Officers gather at bingo which is conducted every Wednesday at the facility. Pictured from left to right are Marie Furtado (Treasurer), Mary Ubry (Secretary), Joan Laufenberg (President) and Helen Steakin (Vice President).

Chambers Bridge also provides its residents with routine van trips to various shopping plazas and doctor's appointments. For income requirements and requests for applications, please contact Carolyn Rivers at (732) 451-1600.

Pending Legislation

Senator Raymond J. Lesniak, an attorney representing municipalities on affordable housing issues, proposed a bill entitled S-1 which would abolish the Council on Affordable Housing (COAH), the State agency which establishes and monitors municipalities' affordable housing obligations. The bill would eliminate the affordable housing obligations of some 283 cities and towns, and instead allow the individual municipalities to administer their own affordable housing obligations. It would also permit regional contribution agreements (RCAs) which allows wealthy suburban towns to sell a portion of their affordable housing obligations to poorer cities. RCAs were banned nearly two years ago in 2008.

Governor Chris Christie supports Lesniak's S-1 Bill, and executed an order on February 9th suspending the operations of COAH. The Bill will go before the full Senate for a decision since it was unanimously voted out by a State Senate Committee on March 15, 2010. Affordable housing advocates are objecting the bill, concerned that this is a step in the wrong direction. Housing advocates believe that if COAH is abolished, the state of New Jersey will truly no longer be affordable, thereby forcing its residents to relocate out of state. This will in turn have a negative impact on the economy; less residents means less spending which will force many businesses and corporations to close down or lay off workers, increasing the unemployment rate higher than ever before. Advocates are urging individuals to write to their local Legislators opposing the S-1 Bill.

With your support we can continue our efforts towards making New Jersey an affordable place to live.

Home of the Free Because of the Brave

Dottie's House had learned of the 1-150th Assault Helicopter Battalion of the New Jersey Army National Guard through **Michele Eventoff**, Executive Director of the Brick Township Chamber of Commerce. The battalion consists of 300 troops, 60 of which are female soldiers, who were deployed to Iraq. While the military provides its soldiers with the necessities, most of the items supplied are geared toward the male population. When Dottie's House Founder and Director, Carol Wolfe, read of the Chamber's collection of items for the female troops, she decided to get Dottie's House involved. Together they developed the "Home of the Free Because of the Brave" Campaign wherein they reached out to staff, residents, board members, volunteers and members of the community to collect items for female soldiers of this unit.

Throughout the four week campaign, Dottie's House collected a wide range of items including feminine shampoos, soaps, deodorants, hygiene products, pajamas, flip flops, photo frames, stationary so they can keep in touch with their loved ones back home, and umbrellas which soldiers use to shield the blazing sun when they escape the cramped headquarters to go outdoors to read and write mail. Every Dottie's House resident participated in the campaign and together collected two boxes of personal items for the women. We would like to thank all who contributed, especially our largest donors including **Mueller's Bakery** in Bay Head, **Donna Bradley of Arbonne International**, **Jim and Lisa Dowd, Girl Scout Troop # 1849**, and **Maria Sessa, Thomas Maydish and Barbara Sheridan of JCP&L** who also helped us package and transport all 15 boxes to the troops.

"It's the least we could do. These troops risk their lives each and every day for us and we are grateful for the freedom they provide for our country," said Carol Wolfe. "We honor their courage and pray for their safe return home," she added.

Dottie's House staff, residents and Friends of Dottie's House Board Member, Maria Sessa of JCP&L, and her colleague, Thomas Maydish, package items for female troops in Iraq.

Staff from Six Flags Great Adventure lend a helping hand to Dottie's House during their Project 6 Day of Service.

Six Flags Lends a Helping Hand

Friday the 13th marked a special day for **Six Flags Great Adventure**. While most associate the day with "bad luck", **Six Flags Friends**, a charity outreach program, set aside the superstitions and selected November 13th as their First Annual Day of Service, otherwise known as *Project 6*. Over 4,000 employees from the United States, Mexico and Canada participated in the campaign, donating over 28,000 hours of service throughout their communities. Dottie's House was fortunate enough to have been selected as one of the beneficiaries of *Project 6*.

Ten employees from the New Jersey **Six Flags Great Adventure** in Jackson, NJ volunteered at Dottie's House as a part of their *Project 6* Day of Service. They walked through the front door of the facility wearing their smiles and event t-shirts and were ready and willing to lend a helping hand. Together they set up three apartments for new residents that were scheduled to move into the facility within the next few weeks. When a Dottie's House resident graduates from the two year program, they are allowed to bring all of the furnishings from their apartment with them as they begin the new chapter in their life. Since three women had recently completed the program, the facility was left with three vacant apartments. The volunteers from **Six Flags** decorated the apartments with furniture, linens, dishes and scattered artwork and décor throughout the units so the new residents would be comfortable in their home as they strive towards becoming financially and emotionally independent, and break the cycle of domestic violence.

"Dottie's House was honored to be a part of **Six Flags Great Adventure's** inaugural *Project 6* Campaign and we look forward to working with them in the future," said Carol Wolfe. "As the volunteers walked through our hallways one slogan on their t-shirts caught my eye - A Day of Difference, and that it was! Thank you to all who participated!" she added.

The Curtains Rise for Dottie's House

On October 23rd **The Spring Lake Community House Theatre** held a special performance of *Arsenic and Old Lace* to benefit Dottie's House. The event raised more than \$4,000 for the facility and attracted over 50 guests including Brick Township Officials, Board of Directors, members of the community and several Women's Groups.

The evening, sponsored by **The Chambers Bridge Residence** and **Councilwoman Susan Rogers (Point Pleasant Borough)**, began with a private cocktail reception at the Theatre with food and drinks donated by **Mulberry Street, Joe Leone's, Spring Lake Manor, Egan's Spring Lake Liquors, Chocolate Carousel, and Stop & Shop** along with a beautiful floral arrangement donated by **Barlow's**. We would like to thank all of our sponsors, donors and guests, and most importantly **The Spring Lake Theatre** for accommodating our organization and guests.

Raise Your Racquet for Dottie's House

Come join all of our tennis lovers on Saturday, July 24th as **Childers Sotheby's International Realty** hosts its **5th Annual Jersey Shore Tennis Open Tournament** benefitting Dottie's House. The event will take place at Toms River Country Club, and is preceded by a draw/cocktail party the evening prior.

Last year's event raised more than \$6,000 for Dottie's House. The winners were **Craig Wood** and **Jeff Marshall** for men's doubles and **Mary Corcillo** and **Maggie Scott** for women's doubles. The tennis tournament was a great success thanks to the generosity of **Lee Childers**, owner of Childers Sotheby's International Realty, his staff from all five offices located in Point Pleasant Beach, Bay Head, Normandy Beach, Lavallette/Ortley Beach, and Seaside Park, and **Adrienne Ballingall**, Tennis and Membership Director of **Toms River Country Club**. Dottie's House would like to thank Childers Sotheby's International Realty and Toms River Country Club for their continued support along with all of our participants and sponsors; both past and present.

Race for a Cause

On your mark, get set, GO! October 11th marked a special day for Dottie's House as they hosted their **2nd Annual Triathlon and Duathlon** at Island Beach State Park which attracted more than 700 participants, spectators and volunteers. The event had a total of 440 participants and raised more than \$18,000 for the organization.

The event took place on a crisp, clear fall morning at the scenic State Park with music by **Paul DiPasquale of Backstage Entertainment** who donated his services. Participants ranged from 12 to 69 years of age and traveled from near and far. While a majority of the participants were from the tri-state area, there were those who traveled from as far as Massachusetts, Maryland, Delaware, Washington DC, Virginia and even Florida! The race was concluded by a pasta and chicken lunch donated by **Carrabba's Italian Grill of Brick**, and an awards ceremony where participants from 22 age categories received plaques and gift certificates.

The triathlon began with a ¼ mile swim in the ocean and was followed by a 10 mile bike and 3.1 mile run. The 1st place winner, **Joe Ward** crossed the finish line at 54:54. The 2nd place male winner was **Ian King** who finished at 55:25, and was followed shortly thereafter by the 3rd place male winner **Chris Ward** who came in at 55:50. The female winners were as follows: 1st place **Lexa Gass** (56:15), 2nd place **Midge Kerr** (59:01), and 3rd place **Elizabeth Milewski** (59:09).

The duathlon consisted of a 2 mile run, 10 mile bike, and 3.1 mile run. The male winners were as follows: 1st place was a tie between brothers **James Register, Jr.** and **Brian Register** who finished at 55:28, 2nd place **Timothy Scanlan** (1:00:08), and 3rd place **Stephen Smith** (1:01:20). The female winners were: 1st place **Lorrie Beck** (1:03:35), 2nd place **Jill Remmler** (1:08:31), and 3rd place **Karen Brown** (1:09:28).

Carol Wolfe thanked all who helped make the 2nd Annual Triathlon more successful than last year's race. "It is because of supporters like you that we have been able to provide more than 14,000 bednights to women and children who have survived domestic violence in this year alone", added Wolfe. "We would like to thank all of our sponsors, participants, donors, staff and volunteers for your help and support. We hope to see all of you, and even some new faces, this time next year", she concluded.

If you are interested in participating in the **3rd Annual Triathlon and Duathlon**, which will continue to take place during National Domestic Violence Awareness Month on **Sunday, October 10, 2010** at **Island Beach State Park**, please contact Nicole Yannelli at Dottie's House at (732) 295-7380 for more details.

Holiday Cocktail Party Raises \$ 14,000

Over 100 guests attended the Friends of Dottie's House Holiday Cocktail Party on December 10th, raising more than \$14,000 for the organization. The event took place at the Brielle River House in its beautifully decorated banquet room overlooking the Manasquan Inlet.

Major sponsors included **Chambers Bridge Residence, OceanFirst Bank, OceanFirst Foundation, Verizon, Hazel Gluck** and **Deb Gluck Perry**, and **Costanza Builders**.

Carol Wolfe thanked all sponsors and attendees and stated that, "While times are tough you would never know it by looking around the room. I see many familiar faces, as well as new ones, and would like to thank you all for coming out tonight to support the women and children of Dottie's House."

Bus Trip is a Success

On December 9th Dottie's House held its first ever bus trip. The group of 50 boarded the bus at 8:30 a.m. and traveled to Pennsylvania for a day of shopping in scenic Peddler's Village. Next on the agenda was the season's opening performance of "It's a Wonderful Life" at the Bucks County Playhouse followed by a delicious three-course meal at the Cock 'n Bull Restaurant.

All of the attendees praised the staff for putting together such a wonderful day trip during which many worked on their holiday shopping. We have scheduled our next bus trip for **Thursday, December 9, 2010**. The cost will remain the same, \$99, and will include transportation, lunch at Earl's and admission to "A Christmas Carol". If you are interested in attending, please contact Nicole Yannelli at (732) 295-7380 to reserve your spot.

'Tis the Season

The staff and residents of Dottie's House would like to thank the community for their outpouring of support this holiday season. All our families were adopted by members of the community and gifts were given in accordance with the children's gender and age group. Some of our donors included **Better Homes & Gardens Real Estate / Mary Holder, The Honey Tree, Gloria Nelson Realty, Shore Point Radiation/Oncology, Lil' Achievers, Preferred Behavioral Health**, among others. We also were fortunate enough to have individuals join us the week prior to Christmas to help with wrapping and distribution of the gifts to the families, including the **"Rainbow Girls" of Neptune, Audrey Rosenthal** with her children **Kyle** and **Erica**, and **Sandi Messina** with her daughter, **Kacie Fidler**.

"Your support has enabled the women of Dottie's House to provide their children with a very special holiday; one they would not have without your generosity," said Carol Wolfe.

Friends of Dottie's House

Help a Family in Need

The U.S. Department of Justice, Office of Violence Against Women, has reported that Dottie's House is one of only two programs throughout the country offering long-term transitional housing and support services under one roof to women and children survivors of domestic violence, with the other in Georgia. Services are provided to our residents with funds awarded through grants and fundraising events. However, due to the difficult economic times we are experiencing, our funds have drastically decreased. With your support, we can enable these women and children to continue on their journey towards financial and emotional independence, and a life free of violence.

Please consider helping a family in need. Any denomination is greatly appreciated!

From  Thank You
